KANCHARLA BRAHMANANDA RAO

I am currently pursuing a Bachelor's degree in Information Technology (IT) and have a strong desire to learn about new technologies and advancements in the field.Specifically, I am very interested in the areas of Networking, Cybersecurity, and Web Development.I am also skilled at managing work with a team and always encourage collaboration to achieve common goals. I believe that working with others and sharing ideas is essential in any field, and I am committed to building strong relationships with my colleagues.
